Bowls Green Etiquette Hints for Beginners

Etiquette is an important part of Bowls and all clubs and their members should not only practice it, but inform new members what is proper and expected behaviour on the green and in the clubhouse. Thoughtfulness and common sense are the keys to etiquette.

1. The green is fragile and should be treated with care. This includes, but is not limited to, wearing proper footwear, not dropping or tossing bowls on the green.
2. The Skip shall have sole charge of the team. Do pay attention to your Skip's instructions.
3. After delivering your bowl and waiting for it to come to a rest, you should retire behind the mat line and away from waiting bowls.
4. Walk up the centre of the rink with minimum delay. If it is not your team's turn to bowl do not stop to chat in the middle of the rink.
5. Players and spectators at the head (the bowls surrounding the Jack) end should stand still and keep quiet.
6. Bowls should not be kicked or moved in the head until the winning shots have been agreed by the appointed member of each team.
7. Bowls is a friendly game and all players should show courtesy and good sportsmanship. Never applaud lucky shots, or lucky 'wicks', never complain about lucky shots, and admit a lucky shot with good grace.
8. After the game you should once again shake hands with your opponent(s) and congratulate/commiserate with them appropriately.
9. All lawn bowlers should familiarize themselves with "Laws of the Sport".
10. Know the correct dress (it will differ for different types of games) and ensure you arrive correctly dressed, with time to spare.
11. Mobile phones should not be used on or around the green.

A full list of etiquette points and Laws of the Sport can be found on our website.

OUR CLUB

Gildredge Park Bowls Club has around 130 playing members and 70 social members. The Club is famed for its friendly spirit and sense of community. The greens provide members with the opportunity to enjoy competitive and recreational bowls from April to September. The large clubhouse is open all year and the winter programme is packed with short mat bowls, table tennis, bridge, rummikub, scrabble, whist and social events.

The Club is run by volunteers with everyone helping. Members act as stewards for the greens, the bar and teas. They form the committee and they organise all the matches and competitions and run all the winter activities and social events.

The club was founded in 1920 and developed ever since from a simple wooden shed, one green and men only, through to today's vibrant club with a spacious clubhouse, 12 rinks and large numbers of women and men bowlers. See our Website for a club history by member Alan Wenham.

A young girl and a young woman, both wearing white lab coats and safety goggles, are shown in a chemistry-style experiment. The girl is pouring a blue liquid labeled 'KNOWLEDGE' from a flask into a flask held by the woman, which already contains an orange liquid labeled 'LOVE'. The woman is smiling and looking at the mixture. In the background, a sign reads 'LEADERS leaders.co.uk' and 'FOR SALE'. On the table in front of them are several other flasks containing liquids labeled 'KNOWLEDGE', 'LOVE', and 'EXPERTISE'. The background is a light blue with a hexagonal pattern.
