World Bowls have issued the 4th edition of the rule book. Some rules have been deleted and there are now some new rules.

A precis of the changes and the complete rule book can be found on their website www.worldbowls.com/laws-of-the-sport/ under laws and umpiring. We recommend you familiarise yourself with the rules/changes.

Club Fixtures Selection Committees

Selection for inter-club friendly matches is made by the ladies' and men's captains, vice-captains and two committee members. Selection for club representative teams in Town, County and National matches is made by a group of experienced competitive bowling members who have competed at county and national level.

Bowls Green Etiquette Hints for Beginners

Etiquette is an important part of Bowls and all clubs and their members should not only practice it, but inform new members what is proper and expected behaviour on the green and in the clubhouse. Thoughtfulness and common sense are the keys to etiquette.

1. The green is fragile and should be treated with care. This includes, but is not limited to, wearing proper footwear, not dropping or tossing bowls on the green.
2. The Skip shall have sole charge of the team. Do pay attention to your Skip's instructions.
3. After delivering your bowl and waiting for it to come to a rest, a player should retire behind the mat line and away from waiting bowls.
4. Walk up the centre of the rink with minimum delay. If it is not your team's turn to bowl do not stop to chat in the middle of the rink.
5. Players and spectators at the head (the bowls surrounding the Jack) end should stand still and keep quiet
6. Bowls should not be kicked or moved in the head until the winning shots have been agreed by the appointed member of each team
7. Bowling is a friendly game and all players should show courtesy and good sportsmanship. Never applaud lucky shots, or lucky 'wicks', never complain about lucky shots, and admit a lucky shot with good grace.
8. After the game you should once again shake hands with your opponent(s) and congratulate/commiserate with them appropriately.
9. All lawn bowlers should familiarise themselves with "Laws of the Sport"
10. Know the correct dress (it will differ for different types of games) and ensure you arrive correctly dressed, with time to spare.
11. Mobile phones should not be used on or around the green.

A full list of Etiquette points and Laws of the Sport can be found on our website.

OUR CLUB

Gildredge Park Bowls Club has over 130 playing members and 70 social members. The Club is famed for its friendly spirit and sense of community. The greens provide members with the opportunity to enjoy competitive and recreational bowls from April to September. We are open the whole year round and our winter programme is packed with short mat bowls, table tennis, bridge, scrabble, whist, darts and social events.

The Club is run by volunteers with everyone helping. Members act as stewards for the greens, the bar and teas. They form the committee, and they organise all the matches and competitions and run all the winter activities and social events.

Every week there are club friendlies against other bowls clubs – home and away – with more than 65 matches scheduled in 2024. There are also regular internal club matches and plenty of time for roll-ups. The club's internal competitions are very popular. 2024 sees a wide range of competitions from classic singles, pairs and triples, to handicaps and drawn teams. Thursday every week is club day. In the morning triples teams play out a league for the John Batten trophy. There are many teams, and the competition is always very friendly, enjoyable, but competitive! Thursday afternoon sees regular coaching. And Friday evening sees a BBQ and friendly triples. Individual members, and club teams compete in Town, Open, County, and National competitions through the summer.

The club was founded in 1920. The Old Town Ladies' Club was formed in 1929 and although facilities were shared, it was many years before the two clubs unified. By 1990 members had raised funds for a new club house, then an extension, a car park, and a further extension. The club was honoured by Bowls England in 2016 when it was declared the top club in the South-East, and runner-up nationally. We extend our thanks to our members over the last 103 years who have taken the club from a simple wooden shed, men only and one green to today's vibrant club with a spacious clubhouse, 12 rinks and large numbers of women and men. The sheer determination and hard work of past and present members make Gildredge a club of which we are all proud. 2024 is shaping up to be another year of glorious friendly and competitive bowling.

Enjoy all your matches everyone.

Jo Doust, Club Chairman
