

## **GILDREDGE PARK BOWLS CLUB 200 CLUB**

I would like to thank all members who have supported the 200 club over the past year. We had over 170 member units and it would be good to reach 200 in 2026.

Each month we draw three numbers to win cash prizes. Each annual 200 club contribution gives you 36 chances to win. All numbers are included in each month's draw so you could win several times!

You can buy more than one number and have even better chances of winning.

Half of the funds go back into the club to buy things that members want. Over the years the 200 club has bought many things to improve the club such as new lockers in the women's changing room, a fridge, the defibrillator, seat cushions, kitchen mugs, shrubs, and much more. We always welcome suggestions about what we might buy to improve the club for our members.

Units cost £12 for a year for twelve draws so please consider how many units you wish to purchase.

Good luck.in 2026!

Jessica Hylands, 200 club organiser
